“ I grew up with Jennifer as kids. We had a magical childhood, played soccer almost daily, built forts all over the neighborhood and she was a great friend. We lost contact when I moved, we grew apart.. I'm saddened by this and know she is flying high.

“ Please accept my deepest condolences for your loss. Jennifer was a beautiful girl, we spoke only occasionally while walking the dog in the neighborhood and she was always pleasant. I'll keep you all in my prayers.....

“ I will never forget the fond memories of Jenny. She was always fun to be around. She was able to effortlessly make everyone else have a good time. Jenny is in some of my favorite high school and soccer memories. Know that the mark she left is a great one, and because of this she'll never really be gone. My deepest condolences to you during this dark time. Please know that our family is keeping you and yours in our prayers and thoughts.
