“ Dear Janet & Family

John always had a smile on his face. He loved walking Coco. I often stopped and talked with him on his walk.

“ *John will always hold a special place in my heart. How is it possible that you are gone? You were respected and loved by all of us who knew you. Your children are good people because of “who you were”. Janet you were his love for 40 years and I pray that you can gain the inner strength and comfort that this unbearable, tremendous sadness and loneliness has blanketed you with. With all my heart I wish you peace in the memories of your life with John.!*

“ I will always think of the great times we had together when I drive pass The Trophy Club at Appalache. We came in with some low numbers playing best ball on a tough track. Rest In Peace.
