“ We are family of John's neighbors. We're just visiting for the summer. My brother, Drew, knew him well and shared what a great guy John is. We only met John twice, but we could tell right away that he was a sweet man with a special heart. Just a week before he passed away, he personally brought over a thank you note to my daughter (also known as "Red") who had done some work for him. His eyes sparkled with gratitude. God speed, Red. Our deepest condolences to the family. Jeanne, Katie and Rob Wasseem

“ John,  
We will always remember a great brother in law and great uncle. You were always there for anything anyone needed. You were always there to help, build or whatever was needed. And you were a man who wanted only the best for your country - a true blue American.  
Love and miss you.
