

John Hathaway "Jack" Butler Jr.,

May 9, 1935 - November 10, 2020

John Hathaway Butler Jr, 85, of Sarasota, Florida passed away peacefully at his home on Tuesday, November 10, 2020 after eight months of in-home Hospice care. He was born May 9, 1935 in Dayton, OH to Dr. John H. Butler and Dorothy (Resh). He is survived by his loving wife of 57 years, Linda (Knoch), his three sons: John, Robert, and Matthew (Annette Rezek), grandchildren: Clara (Aaron Jones), Jack, Grace, and Nathan, and his sister, Dorothy Pitser.

John grew up in Ohio loving the out of doors and all of nature; he enjoyed scouting, camping, fishing, hunting, baseball, football, gardening, music, and cooking. He took seriously God's directive to have dominion over and take care of planet earth. John's love of nature inspired him to a career in teaching science, biology, and ecology. He would often tell his students to "remember the Lorax". He shared his love of nature with his wife and sons on family vacations at Rice Lake and Manitoulin Island in Ontario, Canada, and on Christmas breaks to Sarasota, Florida for boating and fishing in Sarasota Bay, swimming in the Gulf, and watching sunsets at Siesta and Lido Key.

John graduated from Butler Township High School in Montgomery County, OH in 1953. He attended Ohio University, Athens, OH where he was a member of Phi Kappa Sigma Fraternity, Beta Zeta Chapter. He enlisted in the United States Army in 1957 serving in the Third Infantry Division, Military Police

Detachment. He was stationed in Wurzburg, Germany for 18 months. In 1959 he returned to Ohio University completing his Bachelor of Science Degree and Bachelor of Science in Education Degree in 1960 and 1961. He earned his Master of Education Degree at Ohio University in 1966.

John began teaching as a substitute teacher in the Dayton City Schools in 1961. He taught four years at Buchtel-York High School in Athens County, OH where he was also assistant football and basketball coach. He taught 24 years at Trotwood-Madison High School in Montgomery County, OH. He coached 7th then 9th grade football and was assistant varsity football coach for 14 years with eight years as defensive coordinator. He was head football coach from 1981 to 1985. He was well-known for inspiring "Believer Fever" in the Trotwood community as he coached an outstanding group of young athletes assisted by an outstanding coaching staff to a perfect 10 - 0 season and conference championship. This team was the first in the school's history to compete in the Ohio High School Athletic Association Division II State Football Playoffs in which they placed 2nd in the State.

John held a special place in his heart for the students he was privileged to teach, the athletes he coached, along with the teachers, staff, and coaches with whom he formed special bonds over the years. After 29 years in the classroom John retired from full-time teaching in 1989. In 1997 John and Linda retired to Sarasota, Florida where John took great pleasure in taking family and friends out in his boat to fish in Sarasota Bay. When his beloved grandchildren would visit from Ohio he would always prepare for them a breakfast of his special sausage gravy and biscuits.

“ I was blessed the day my sister Linda brought John (Jack) home to meet the family. We all sat around the dining room table at mom's house. As we ate it became apparent that Jack was "crazy" in love with Linda and that she would be his wife. The feelings were mutual. Linda had met her future husband. Jack became my brother the day they wed and that will remain for all of eternity. My love goes out to Linda, and children John, Bob, Matt, Annette, and grandchildren Clara, Aaron, Jack, Grace and Nate. I share your grief. Sister/Aunt Anita

Our deepest sympathy to you, Linda, and to your entire family. Erv's relationship with Jack spans almost their entire lifetime. Initially Jack's Mom and Erv's Mom taught in the same school. He was a fantastic friend to us and I am sure he will be greatly missed by all of your family and friends.

To Linda and Family: Please accept our sincere sympathy today. Jack had a hard time of ups and downs for a long while and we were always "rooting" for him. Thinking of you at this time and remembering the good Resh Reunions where we visited for sure. Will keep in touch. May God comfort your family. Jim and Sandra Resh
