“ My Grandfather will be missed by many. I don't have that many memories of him because I'm from NJ, but the ones I do have still make me laugh... Who stepped on the duck... Lol. His scotch in one hand and golf club in the other. I will miss him...
Thank You all for your messages! his Loving Grand Daughter

“ I will miss seeing Jack sitting in his usual rocking chair spot in the lobby of the Windsor. Always the "Sharp Dressed Man" he had all the outfits for the holidays, especially the hats. Jack always knew where the residents were, and would tell me what activity my mom or others were at any time I walked through the front door. Oh how he loved to dance at those Windsor parties, and everyone enjoyed their chance to take a whirl around the floor with him. He will be so missed by the residents, and especially the Windsor staff. Rest in Peace Jack.
