“ Just learned last night of John's passing. We were shocked and wanted to express our sincere thoughts to the Ostrowski family. I played high school football with John at Independence High school and knew him well. John was a great compassionate, fun, hard working teammate. Many great memories. Godspeed John.

“ I was a client of John's. I always enjoyed talking with him. We were friends. When my husband died unexpectedly in 2020, John gave me one of the few hugs I got because of the pandemic. I really needed it at the time and he knew that. What a beautiful heart he had. Rest in Peace, John. I will miss you here on earth but look forward to meeting again. 🙏🕊️💔

“ John was such a kind man. I'll miss our walks with the dogs, laughing about whatever house project we had going on next. Those daily walks are missing something now and will never be the same. Rest in peace, my friend.

My sincere sympathy to John's Family and Friends. I was only One of John's many clients at Chase, for many years. He was such a understated kind individual. Really remarkably nice and considerate. He made me feel at ease and you can tell he was a honest down to earth Gentleman. I feel bad, I can't imagine how much he will be missed by his Family and all who I'm sure had the pleasure of meeting John. One of Gods truly Good ones.

“ My sincerest condolences to John's family.
We have worked with John through Chase Bank for quite a few
years now. He has always been wonderful at what he did. We had
100% confidence in John. More importantly we enjoyed John as a
person. He was kind, funny and incredibly knowledgeable. The
world has lost a truly wonderful person. God Bless John and God
bless his family.

“ I first met John through my dad, as John was his financial advisor. The thing that set John apart from other advisors is that John ensured my dad did not take shortcuts, even after my dad had a stroke. That turned out to be a savior then, as later I was the executor of at my dad's estate. John was more than a financial advisor. He was a caring and honest person, who loved his Cleveland teams and hockey. John invited me to a Lightning game years back. We sat along the glass. I remember Coburn shaking our hands before the game. That was great. Last, I remember John and Maria attending my dad's funeral. My family will never forget that. You do not know how much that meant to us. John is so special in my heart. God bless John and his family.

He was a truly genuine and compassionate soul, and it was obvious by the way coworkers and clients gravitated toward him. He will be deeply missed at Chase and always remembered. Sending love, prayers, and condolences to his family.
