John G (Jack) Quinlan, August 14, 1924 -August 15, 2016.

Originally from Philadelphia, PA, and Cape May, NJ. Jack and Peg's second home is in Killarney, Ireland, Jack passed away peacefully in his home in Sarasota, the morning after his 92nd birthday. Jack was pre-deceased by the love of his life and bride of just under 70 years, Peg Quinlan on June 21st, 2016. He missed her terribly and looked forward to seeing her again.

Peg said of Jack that he always treated her equally and that he brought respect, kindness, logic, ethics and a very healthy sense of humor to their long marriage. As the parents of six children, those attributes were put to good use, most especially the sense of humor. Love, Marriage, Family was the foundation that they chose to build their marriage on all those many years ago.

Left behind to cherish their memory are their children: Maureen Horn (Steve), Jerry Quinlan (Josephine), Margaret Ann Quinlan (Howard Blazer), Rodger Quinlan (Adeline), Gina Quinlan and Lori Quinlan. Their grandchildren, Stephen Horn (Beth), Ian Kaufmann, Christopher McDonald, MeganKate McDonald O'Mahony (Gregory), Brandon Kuzma, Rachel Grace Kuzma, Olivia Quinlan, Matthew Quinlan and Andrew Quinlan will forever remember welcoming arms filled with laughter and love, not to mention, great stories.

Great grandsons, Jack Q Horn and Charlie Horn simply loved being silly with Nana and Pop and sharing ice cream and candy. Jack and Peg were Co-Founders of Celtic Golf (Golf vacations to Ireland, Scotland, England and Wales) twenty seven years ago. Golf was his Passion, He knew the game, the history and the people. While both Peg and Jack had highly successful entrepreneurial careers, it was their family that they were most proud of.

Because Jack and Peg loved each other all ways and Always, a joint funeral mass has been arranged for August 26, 2016 at St Thomas More Church in Gulf Gate at 9:30am. Interment will follow at Sarasota National Cemetery as Jack was a proud WWII Navy Tin Can Sailor.
