“ I met Jack through business but my wife Angelica and I quickly grew to love Jack and Terry. Jack was always cheerful and had a big, hearty laugh that brightened any room he was in. It was our privilege to share several meals and events with Jack and Terry and we were always grateful for their friendship. We will miss Jack in the years ahead and send our love and condolences to Terry.

“ Jack was a wonderful guy. Spending time with him personally and at work I got to know him and love him. Rest in peace. ❤️
