“ I worked with Joe at Saters in 1968-69. What a terrific boss and buyer Joe was. He was so positive and encouraging all the time. Never a bad mood or dull moment. It is 2026 now and I am 75 years old. I was 17 when I worked for Joe and the Sater Brothers, Ron and Stanley, who were also great guys. Joe made a huge impression on this young kid that stays with me to this day!
