“ You were the most kind hearted, loving man with a wonderful sense of humor. Always willing to help out, listen, hang out and have fun. So many wonderful memories with you and grateful for the love and unwavering support you always showed me. You never got upset with me when I would question your handyman capabilities or even when I shut the trunk of the car on your head, but you never let me forget it! You hold such a special place in my heart and in my life forever, I will miss you tremendously but cherish the relationship and the memories we had. Love you always!

“ Uncle Joe, I am sad to say goodbye. You will be sorely missed. I only had two uncles in my life, you were the only one I really knew and loved! I always loved your sense of humor and your ability to make everyone around you laugh. I always anxiously looked forward to spending time with you and my aunt Joan. I have many fond memories that I can still laugh at when I think back of our times together. One that stands out in my mind is when you & my Aunt Joan were stranded at our house for a few weeks because of a hurricane in 2017. We had so many laughs and solved the problems of the world over many bottles of wine. You got yelled at by my mom for not going to church. Everyday my mom came in asking when are "those people leaving"! As sad as her situation was we managed to make light of it and laugh through the tears. The elevator ride at Longwood gardens is my absolute favorite!!
Thanks for the laugh's, love, time and memorie Uncle Joe!
Please tell God I said hello;)! Valerie

“ Joe was a great guy. He added so much joy, friendship and laughter to our family. I loved him and will never forget him. I am thinking of Joan, Joey & Courtney. When you think of him, put a smile on your face the way he always did.

“ *Uncle Joe was the funniest man in our family. He not only made people laugh, but no one laughed at others' stories with more joy than he did. I got so much laughter and love and joy in my time with my godmother, Aunt Joan, and Uncle Joe. Sondra, the boys, and I send our love to all of you.*
