“ Vicki,

My heart hurts knowing that you are grieving. I felt like I knew Joe just by the loving way that you would speak about him. I loved the sweet way he would make you breakfast muffins, your lunch etc. I pray that the peace of God that passes all understanding will help you through this time. Love, Amber

“ Dearest Vicki, I am so very sorry to hear the news of Joes sudden passing. He was such a great person and so young to be taken away. I think of you both and when you first met years ago and how fortunate you were to have each other for all these years. Please take comfort that hes now at peace in heaven and watching over you and treasure all the memories you have together. We offer our deepest condolences, dear friend. Love, Patti and Bob

“ I'm so sorry to hear of Joe's passing. My deepest condolences to Vicki, Diane, Ruthie, and all of his family and friends. His cousin Linda and I had the pleasure of spending time with Joe and Vicki during several visits they made to California. He was a loving, kind, funny, and fun man. He and Vicki were such a lovely couple (my heart goes out to you Vicki). I know his cuz Lindy was waiting toward the front of the line to greet him on the other side.
