“ I always remembered those high heels!!! Working Friday nights in my sneakers and looking at Judy with those heels and wondered how she kept serving all those meals! RIP Judy.

“ ‘Miss Judy’s’ high heels were her ubiquitous trade mark, whether serving dinner at the Italian American Club or astonishingly even on the grass field of Venice Airport while tending to customers of the Sausage Booth at the annual IACV feast for many years. Seemed like our big hearted Judy knew everyone in Venice and anyone who had been involved in Venice schools knew her.  
She was an integral member of the IACV family, a loyal member of the Moose, a devoted member of the church and a forever friend to cathode use of us who were blessed to have known her.  
Til we meet again, thanks for the memories Miss Judy

“ Bruce & I have very fond memories of Judy! She always participated in the events at the Italian Club & was a wonderful worker. She helped without being asked & was much appreciated! She was a favorite among the Friday night dinner patrons. Her regulars loved the special attention she gave them! We have missed Judy’s smiling face for the last few years at the Club but her memory will reside in our hearts forever. RIP Miss Judy!  
Condolences to the family, Bruce & Linda Bastian

“ *Once in a while a friend is found  
Who's a friend right from the start.  
Once in a while a friendship is made  
That really warms the heart,  
Once in a while a friendship is formed  
To last a lifetime through...  
It really does happen, just once in a while -  
It happened to me and you.  
I will miss you my dear friend. Love, Patsy*

“ I have so many fond memories of aunt Judy when she came to visit in Ogdensburg, the family would all get together at either aunt Dotties and house or aunt Helen and there would be so much laughter. Aunt Judy will live in my heart forever. I take comfort in know she is with grandma Kiah in peace and watching over all of us  
❤️🙏

“ My beautiful Aunt Judy, I loved being one of your “Toohey Babies”, and will never forget you warning us three girls that you were going to make our “butts sizzle” if we didn’t do what mom said. You will always live on my heart with love and laughter. Rest In Peace and watch over our family forever 🙏❤️
