“ There is not enough space to write the many wonderful things that Judy gave to our family in good times and in the most trying of our family times. We will always be grateful for the many trips, fun times, photographs and gifts that she and her family gave to our Matt which helped him to have some of the best years in his short life. He truly believed he was a part of the Kingseed family. We know that Judy is in heaven chasing him and wanting to take pictures of all of the beautiful places there in heaven. I am hoping they will continue to look upon upon us all with love and be proud of the lives we continue to live without them. Memories are what keeps the ones we have lost alive in our hearts and Judy will always have a piece of ours. I am hoping Jeb and Jamie will be comforted in the years ahead with all of the good memories of Judy.
