“ Judy was a cherished friend whom I had the privilege of knowing for 30 years. We worked (and played) together at Booker High School for 25 years and established the BHS VPA Theatre Cabaret Touring Troupe which would perform at many events in Sarasota and Bradenton as well as Disney World. She was a mentor, cheerleader, friend and all-around awesome human being! I will miss her and remember her every day; her gifts of love and wisdom live in my heart. Rest in peace, my dear friend. You were/are a bright light in my world!

Mrs. Piercy was the kind of special teacher/guidance counselor that had multitudes of impact on the kids that were lucky enough to have been in her orbit. She believed in us, even when we didn't believe in ourselves. Her impact lives on not just in her students, but even the way I raised my children. Her memory and impact will last generations. I love you Judy. Thank you for being you and being there for us.
