

Julia Alice Schweitzer Stein

March 14, 2018

Julia Alice Schweitzer Stein had a 90-year love affair with life. Her devotion to her daughter, and granddaughters, was apparent to anyone she met. She often reminisced about her life in Pennsylvania, New York and travels through Europe. She will be missed and remembered as a genuine original. She is survived by her daughter, Alicia Stein, (partner Robert Miller), Granddaughters, Kalei Rose Vicars and Hannah Grace Vicars, Sister-friend, Peggy Williford, and many, many friends.

So, fly to the moon, mom, and play among the stars. See what spring is like on Jupiter and Mars. In other words, hold my hand. In other words, darling, kiss me.

You made all the difference in our lives so many times. I will think of you when the stars shine bright, and evening is cool. We send our prayers and care to family, Alica, Robert, Kaily, Hannah, Peggy, and all others who knew and loved you. Love you always, and forever. Goodnight Sweetheart and friend.
