“ I will miss my Friend June. So Much. We became acquainted when June emailed - out of the blue a few years back. She was looking to connect with my Husband Robert Mangum son of Mildred Hill / Maichen. Sadly Bob had passed away in 2010. We spent the next hour plus talking . ..which was very easy to do with June.. We emailed frequently. Talked more on the phone & I started thinking I should go meet her. I Did ! Since by then we already knew each other - seemed like we'd been doing this forever . . . Am grateful for that time spent with her One-on-One.

*My Heart & Love goes out to all the Family & Friends
In closing: I will never forget the Love of June*
