

Justin Donald Duby

June 27, 2023

On June 27th 2023 at 1:05p.m, our beloved Justin Donald Duby grew his wings to be with our Lord and Savior. Justin battled Stage 4 Testicular cancer for almost two years.

Justin was more words than you could describe or comprehend unless you truly knew him. Justin was a leader of many and had the type of kindness most would strive to be.

Justin will always be loved and missed by his mother Lisa Wade, his grandmother Mary Wade, his brothers Jonathan Duby, Brandon Wade and Austin Duby, his father Todd Duby and as well as the rest of Justin's family, an abundance of other loved ones, friends and people Justin has touched through his life.

He was a different kind of strong person, everyone Justin knew would call it 'Justin Strong' because he had the kind of spirit that could not be molded, bent or broken, a spirit that will stand the test of time and live on through everyone as we all live for Justin and through Justin, just like he would've wanted everyone to do.

Justin's last days with all his family and loved ones that were able to visit gave him what he wanted and all he wanted was to hear what everyone else had to

say. Justin was the kind of person that cared what others wanted so he could make them happy. Live a life with no regrets and live a life without sadness, fear or guilt.

As we grieve for the loss of our beloved Justin, we remember all the good times he brought to us and cherish those memories, let us not dwell on the bad thoughts or how he was the past few months. Remember him before the ailment and remember Justin's laughter he had, the smile Justin had that would make you smile and the gestures he would make that could light up a room. Remember the happiness he would spread and the joy Justin would bring to everyone. How Justin would do whatever he could in his power to make his loved ones content with any problem they faced or bump in the road that happened.

Justin was always an angel, and June 27th 2023, 1:05p.m. Justin grew his wings. Justin will always be loved, cherished and missed. May we live for Justin as Justin lives through us.
