“ *I was Kathy's hairstylist for the last few years. She truly was so very special to me. She was always so positive and tried to persevere even when she wasn't feeling up to it. I will miss her dearly. I'm so sorry to hear she passed.*

“ *She was a treasured friend. We shared love of family, beach walks, and so much more. She was always my voice of reason. Great friends such as Kathy are hard to find & hard to lose.*
