

Kathleen (Coleman) Mills

October 17, 2022

Kathleen (Coleman) Mills, 78, of Venice Florida, wife of Clarence Michael Mills for 30+ years, passed away peacefully while asleep at home on Monday (Oct 17, 2022).

Kathleen was the daughter of the late Maurice (Ike) and Eleanor Coleman. She was born in Manchester and lived there most of her life until retirement at which time they relocated several times until finally reaching Venice Florida.

Kathleen was one of three children and leaves behind her eldest brother George Coleman (Pre-Deceased) and his wife Cathy Coleman; her younger brother James Coleman and his wife Julie.

Kathleen also leaves behind her three children and their spouse(s); Michael and Elizabeth Melody of Wethersfield, CT, Marissa and Eddie Gallagher of Long Beach, NY, and Meggan and Clover Melody of Englewood, FL. Kathleen also leave behind three beloved grandchildren: Ryan Gallagher, Keila Melody and Shane Melody. Kathleen also leaves behind several dear cousins, nieces and nephews with whom she shared the fondest of memories.

Kathleen formerly worked for Pratt & Whitney until retiring in 1993 and she then went on to become a Real-Estate Agent in Florida. She loved her grandchildren; she loved their company and right up to the very end would

always ask “How are the kids doing”. She had a passion for helping her children, a “great water view” or beach chair or a sunny day in a convertible for a ride along the coast. She always had a passion for adding color(s), style and contrast to a home, a room or even a front door. She always worked hard to decorate and refinish their different homes over the years. She also loved to read, laugh, watch old movies and always stayed tuned for her television favorites like “Law & Order, and “CSI”. Kathleen was a great Mom, Grandmother, Aunt, Cousin and friend for which she will be greatly missed for her great humor, witty charm and her thoughtful, caring, and loving nature.

The family is most grateful and appreciative of all the kind sentiments and support that have been provided.

The service will be private.
