“ We worked together at Ernest Smith Insurance Agency for many years. He was always the perfect gentleman, a quiet sense of humor, and always ready to help you figure something out. We were happy when he and Phyllis moved to Bay Village for their final retirement....and we helped them sell their home. He will be missed.

“ I am so sorry to learn of Ken's passing. I met him relatively late in life -- a year and a half ago, I flew to Florida on behalf of his home Masonic Lodge, Cobleskill No. 394 in Cobleskill, NY, to honor him on 65 years as a Mason, and I stayed in touch with him since. In his wanderings from New Jersey to Florida, he was long apart from his mother Lodge, but he will be sorely missed by me and by his Brothers here in Cobleskill.

“ Ken was a gentleman, friend, and honorable insurance agent. Ernest Smith Ins and Purmort & Martin shared like values and ethics, and working with Ken on our studies as Charter Applicants and later members of the AAI designation was great. His knowledge and depth helped everyone of our little group. His ethical values reflected a generation and level now past. He made being in the insurance business in Sarasota a privilege and honor and his manner reflected wonderfully upon everything which is right about our industry.
