“ *Most sincere condolences to the family of such a great person. Spent Enough time around Ken back in the 80-90's to know he was a real knock up guy whom would do most anything for friends. Wish I would've seen more of him recently but we all get another chance down the road. Peace*

“ *Dear Family, Please accept my sincere condolence on your loss. The Bible can bring you much hope and comfort at a time like this, because within its pages are the precious promises from our Almighty Creator that soon He is going to end death, sickness and sorrow (Revelation 21:3,4). In addition to that, our loving Heavenly Father has made arrangements through His Son, Christ Jesus, to bring back to life "all those in the memorial tombs" (John 5:28,29). May you find the strength to hold on by meditating on these beautiful promises from Jehovah God.*

“ I am a friend of Kennon. We became close friends back in the late 1980's. We were both fresh out of high school and living on our own. He was living in the apartment connected to the funeral home and I was living a short ways away in a small apartment. I always had some fear in me and I would hold back on doing some crazy, fun things. But not my friend Kennon. He showed me how to be brave. Do what you want, be who you are and don't worry about what others might think. The funniest time together was when we went to Disney World and wore this nasty, long, black wig and consistently rolled cigarettes with papers and a zip lock bag of tobacco. We got the craziest looks from others waiting in line for rides. Hilarious!! I haven't seen Kennon in quite a few years, but I do now know that he did have a crazy kinda positive influence on me. Live each day like it's your last!! RIP my friend and may God bless peace to the family.

“ Dear Middough Family, I want to express my condolence. The Bible provide a wonderful hope for our love ones. Reveelation 21:3,4 says " there will be no more death, pain, or outcry anymore. What a comfort the Bible give us! Also, we have the opportunity to see them again because God's Word speaks of the ressurection at John 5:28,29. You can also go to JW.ORG. I
