“ I have no words for the pain I am in. My Nana was the *BEST* Nana a girl could have. I don't know how or if my heart will ever mend with her being gone. My Emma and Parker were so very lucky to have such a *FANTASTIC* Great Nana. They will miss her terribly. I will treasure every memory that I have. I will love her forever and ever. Goodbye my sweet Angel!

“ We are both very sorry to hear of your loss. We send you our thoughts and prayers during this difficult time. Remember, though, that she is still and will always be with you. She will guide you, watch over you, and protect you...now and forever. Heaven has gained an angel...one that will always be flying alongside you. Always remember the good times you had with her. Let those memories fill you with happiness and good joy when times feel low. Lots of love. God bless.

“ Robin, Tammi, Tonya, Misty, Chuck, & Family,  
We are so sorry to hear of Lavedas passing. Laveda touched so many lives with her presence. There is something about losing a mother that is permanent, a wound that never quite heals. We mourn with you and share your pain. Though words can do little, we hope our thoughts and prayers will support you at this time. You were her angels throughout her life, now she is your angel. Sending heartfelt condolences,  
Maggie & Michael
