May 10, 1928 - May 14, 2026

Lee Myron Maddocks, born on May 10, 1928, in Silver City, Iowa, passed away peacefully, leaving behind a legacy of dedication, warmth, and quiet strength. He was the beloved son of the late Henry A. and Helen Unger Maddocks.

Following his high school graduation, Lee proudly served his country by enlisting in the United States Army in 1946 alongside three close friends. He served during the Korean conflict and was honorably discharged in 1948. After his military service, Lee attended Iowa State University on the G.I. Bill, where he earned a degree in Engineering—an accomplishment that would shape his lifelong career.

Lee devoted his entire professional life to R.R. Donnelley, where he worked faithfully until his retirement in 1988. Beginning as a plant manager and later promoted into upper management, his commitment and strong work ethic earned him the respect of colleagues and friends alike.

In 1949, Lee married Lyndall Olmstead, with whom he shared many years of love and companionship until her passing in 2009. He later found happiness again with his surviving wife, Sondra. Lee was preceded in death by his beloved son, Clark Maddocks; grandson, Jordan Maddocks; and stepdaughter, Tanya Roberts.

He is survived by his loving wife Sondra; his sons Stephen (Dorie), Clifford (Joyce), and Scott (Dora); daughter-in-law Ruth Ann; his stepsons John George (Brenda) and Greg George (Eileen); seven grandchildren; thirteen great-grandchildren; six step grandchildren, and two step great-grandsons all of whom carry forward his cherished memory.

Lee will be remembered fondly by all who knew him as a kind and enjoyable man, always bringing a smile to those around him. He had a love for life's simple pleasures—relaxing with a Macanudo cigar, challenging himself with crossword puzzles, and skillfully defeating his opponents at cribbage.

Lee's warmth, humor, and gentle spirit touched many lives. He will be deeply missed.

Rest in peace, Lee.
