“ *Leroy was a great detective who remembered every person he ever met. He also was a very good golfer who visited us and partnered with me at a member guest tournament at my home course in Florida. He will be sorely missed.*

“ *I was fortunate to have worked with Leroy during my career in the Suffolk County Police Department. Every time our paths would cross, he would find time to talk with me. It wasn't just "hi and goodbye", it was how our families were doing and how each of us was doing. He was a great guy. My sincerest condolences and sympathy to his family on his passing.*

“ *My wife and I grew up with Leroy in Central Islip. Later we both became Police Officers and were able to work adjoining sectors. Later both our careers advanced but we still managed to see each other occasionally. You kept us safe and gave everything. Thank you for your courage and bravery, heartfelt condolence go to your family, who will be rightly very proud. Nothing will fill the void in their lives but let them know you will never be forgotten I'm so sorry for your loss. RIP brother.*
