“ *My wonderful dad! I will miss you so very much!! Dad was my Gold Standard,,,he led by example and set the bar very high. He always had a great sense of humor and always had some sort of a saying to match the moment. For example, a friend of mine, Terry, who while playing golf with Dad and me one time, hit a ball that more or less never got airborne but rolled and rolled all the way up and onto the green. Dad said, "well Terry, that wasn't very pretty, but it WAS effective".*

Rest in peace Dad...
