

Linda S. Hartmann

April 1, 1951 - April 22, 2019

Linda S. Hartmann age 68, passed away suddenly on Monday morning, April 22, 2019 at her home in Longboat Key, Florida.

Linda was born on April 01, 1951 in Delbarton, West Virginia to Agnes and Wallace Harley Maynard. She was a graduate of Larkin High School, Elgin, Illinois class of 1969 and graduate of Harris County College with a degree in nursing and administration. She resided most of her life in Illinois and recently retired to her dream beach house in Florida. She lived her best life doting over her grandchildren, her children and her loving husband.

Linda spent her career working as an R.N., working up to becoming the administrator at Heritage Health in Elgin, Illinois. She touched everyone's lives that she came in contact with during her 23 years there. She became a mother, a friend, a grandmother to all her residents and colleagues.

Linda is survived by her loving husband Art Hartmann of 24 years, her two sons Jerald Huston (Cheryl Jensen) of McHenry, Illinois, and Dennis Hartmann (Jen) of Cortland, Illinois and her daughter Jennifer Armstrong (Greg) of Eagle, Nebraska along with her six grandchildren, Ashley, Will, Jaedyn, Trista, Tyler and Kyle and one surviving sister, Judy Buczyna.

Linda is preceded in death by her parents, sister Connie Macaullay, and brother Wallace Harley (Budgie) Maynard Jr.

We all cannot express how much we will all miss her. Her laugh, her voice, her language, her touch, her humor, her caring, her kindness, her devotion to work and her love.

Because of the unexpected and sudden passing, some of her immediate family and friends will fulfill her wishes of a small and simple ceremony on her beach at Longboat Key Island. A celebration of Linda and her life will be held at a later date in Illinois. The time, date, and location to be announced sometime summer of 2019.

In lieu of flowers, the family has started a donation page for a memorial bench and plaque to be placed at Heritage Health for residents, employees, friends and family to remember and never forget Lin.

“ Linda was 1 of the most extraordinary ladies I have ever met in my life. She saw potential in people even when they didn't see it in themselves. Such a great woman. She had the best advice and her laugh was contagious. She is greatly missed and loved forever. My condolences to her entire family. I hope you can find peace. God Bless you all.
