“ I am so sorry to hear this, and my deepest sympathies to her family. I went to school with Linda and even triple dated to our Prom. Linda was the one who turned me on to the medical field. We lost touch over the years but no matter, would never change the special friendship we had many years ago. Rest in Peace, my friend!

“ Sorry to learn of Linda's passing. She will be truly missed. I've only know this wonderful lady for two years when I became her neighbor at CV . She immediately opened her door to join her friends for her annual CHANUKAH Party. She leaves wonderful memories. Hold them close, they are yours forever.

“ I have known Linda for about 30 years and what a wonderful person ! I met her at Bradenton Orthopedic Associates where she came to work as a surgery scheduler . We had some wonderful times and laughs together. She invited this little Catholic girl to a Seder dinner at her home once and it was a faith sharing experience. She was so proud of her girls and would do anything for them both . She truly loved her family, friends and co-workers . She will truly be missed .
