“ *Linda Linda Linda she was the most caring and giving person we have ever met. We would ride on our golf cart sit on her porch what seemed like for hours. I will never forget her kindness and smile. And that cat of hers she loved that cat plus feeding all the others in the park.*

To the entire family please know my thoughts and prayers are you all during this time.

My only regret is not getting to take vacation in enough time to come see her and everyone at the park. I know Jack was waiting for her.

*Sincerely
