“ I just learned of Linda's passing today. Our thoughts are with the Scheuer Family. Linda and David were always very kind to me when I was growing up, and we so enjoyed spending time with them when they visited the Black Hills some years ago. Love, Nicola

“ To the Scheuer Family
Linda was a very special person from our past and we didn't meet up with her until recently. There are no words to comfort you, just be assured she is at peace and not suffering.

“ We will miss our wonderful friend and cheerleader. She was always in our corner and her beautiful green eyes and smile would light up at the mention of her family. She is a true example of what can be accomplished in life by giving it her all. Thanks for so many wonderful memories. We will see you again.

“ Please know that your family will be in my prayers. Linda was a very special person who believed in helping others. Her career as a nurse was perfect for her because she provided comfort to all she came in contact with. May she rest easy in her Father's arms.
