“ Mom it breaks my heart to wake up and know that you are not here anymore, I know you are no longer suffering and that is a good thing but a piece of me is missing. I miss how you never gave up on me in spite of myself. I miss all the amazing sewing you did and the beautiful cakes you made. I miss you more everyday. Please say hi to poppy nanny and uncle pat for me and know we will meet again one day. I love you and miss you so very much and I'm sorry I didn't get to say goodbye!
