“ Dear Greyling, Although I knew you for such a short time I learned quickly of your love and devotion to your family. I know you loved your mom deeply and I can only wish that her passing was peaceful and you heal from grief quickly. There is no doubt that you took the best care of her. Please know that she knows that as well as people like me who knew you only for a few short months. Maureen E.: jcp associate. My sister-in-laws Sharron and Brianna send their thoughts to you during this difficult time.
