“ Mac and Harriett were among the first people we met when we moved to Florida and joined at Rosedale in 1994. Mac was always fun to play golf with, loved the Saturday skins game. He was a great golfer, very competitive and a joy to play with. More important, he was a kind and caring man, who was concerned for everyone. We will miss you Mac. Our thoughts and prayers are with Harriett and the Rouse family.

“ *Mac and Harriet was one of the first people we met when we moved to Rosedale. He introduced himself as being the guy with the smallest house and largest pool. He had a terrific sense of humor. I was always happy when he asked me to help him with the Saturday Skins game. He will be missed by many.*
