“ *My sweet little Aubulita. I cry because you're gone yet my heart is filled with love because you were my grandmother. You are many blessings to me, You are kindness, thoughtfulness and love. You were the most precious and rarest gift, gifted us from God to watch and guide us. Now the watch has ended and you are back to be with God who sent you.*

Your sweet memories are my keepsake, I am beyond thankful I had these years with you and I was able to bring my family to you so they can treasure you as well.

You are now my angel, my angel In heaven.

Your legacy and memories will live on in my heart. Linda Ann

“ *Abuela, when I say it, the first word that comes to mind is Love, My Abuela had a way of always making you feel special by either cooking you your favorite authentic dish, a simple hug or by slipping you a 20 when Pop wasn't looking....:) You will be dearly missed Grandma but because of my faith, I hold on to the promise that you are in a heavenly place of peace, and we will be together again someday. Thanks for so many wonderful years of caring and compassion. I will carry you in my heart forever.*
