“ Bill, Lisa, Rich and family..... we are confident you're celebrating our darling Meg's life today, and holding fast to your memories. She was an incredibly strong lady who loved life, right up until her passing. She is at peace now in the arms of the Angels - this I know. You are all in our thoughts and prayers, especially today as you say goodbye. We've only known Meg a year now, but I feel as though I've known and loved her, all my life. She will never be forgotten. Never. God speed Meg.....rest in peace my beauty. I will never forget you and will love you forever. Until we meet again.....❤️🕊️💜

“ *Bill & Family - I am so sorry for your loss - Meg was a wonderful person and most of all a great friend - I will miss her dearly. Will never forget all the good times we had together (especially the Back Porch) and was so happy when you and Meg met. Love knows no boundaries - even those that divide Heaven and Earth. Whenever you feel sad, just remember, your hearts are connected together. Please know that you are in my thoughts and prayers. Stephanie*
