“ Uncle Mark,
You will be missed by the many lives you have touched during your years of service in the protecting our country and the city of Venice. Your love of God and understanding of God’s plan gave you peace in these last days. I know when we spoke a few weeks ago you talked about how much You were looking forward to seeing Dad and Grandma Barnhart in heaven. I know that reunion had to be special. We are going to miss you for now, but we know there will be a day that we will meet again in heaven. I have fulfilled your wishes of donating in your memory to those that have helped so many in their last days. We will always cherish the time we had with you.
