“ Mrs MaryJean was simply the greatest. When I had my child early she and the other ladies at South Venice organized an impromptu baby shower and I was blessed enough to come home, thanks to her, with everything I needed for my baby but she said it was their way of bribing me for a real baby for the Living Christmas tree. Eighteen years later I think it was her that drew me to South Venice, from the second I met her at the yard sale to just seeing her at practice for choir, she made it feel like home. Mary Jean made you feel important regardless of the circumstances.

“ I remember Mary Jean so well. She was my sister's, Cindy Schepp's very best friend in High School. I have so many fond memories of her! May she rest in peace.

“ *I can not think of my years at South Venice Baptist Church without thinking of Mary Jean. Our children grew up together in the church and in the youth group. Mary Jean and I actually went to school together but I grew to know her more through church. She was a true Christian Woman, serving the Lord was such a part of her life. She will be missed.*
