

Mary Ann Sain

September 6, 2022

Mary Ann Sain, age 86, a resident of Sarasota, formally of Oak Brook and Chicago, IL passed away peacefully on Tuesday, September 6, 2022, at Heron House Assisted Living Residence in Sarasota, FL.

Loving wife of the late John “Johnny” Sain and the late Richard C. Zaremba; beloved mother of Richard (Debra) Zaremba; cherished grandmother of Kasey Zaremba, Richard A. Zaremba and Christopher Loehman; and fond great grandmother to Austin Loehman and Taylor Loehman.

Mary Ann was preceded in death by her parents John and Adeline (nee Paulunas) Mazetis, and brother John.

For those who knew Mary Ann, she was a lover of baseball, (always educating those new to the game, the meaning of the past bygone rhyme “Spahn and Sain, Pray for Rain.”) She was a fashion aficionado and creator of one-of-a-kind home-cooked ethnic meals. She believed in helping those with special needs such as her brother, and those who assisted in his care.

Mary Ann was a kindred soul who always gave more than she had, and lived her life through the adage that helping one person might not change the whole world, but it could change the world for one person.

Mary Ann was warm, loving, hopeful and known for the many lifelong

friendships she developed wherever she went. Those who truly knew her, appreciated her unique one-of-a-kind personality and when friends and family would say "I love you," Mary Ann was fond of saying "I love you more," and genuinely lived this creed. Mary Ann was a true fighter until the very end.

A prayer service and final interment will be held at Havana Cemetery, Havana, AK.

“ I am so sorry we missed Mary Ann's passing. I called Heron House today to see if we could come for a visit. She was our neighbor for a number of years in Sarasota Lakes RV Resort and we liked keeping in touch after she moved. She was especially fond of some chocolate dipped goodies I made at Christmas time so I tried to keep her well-supplied. We will remember Mary Ann with fondness. Our condolences. - Paul and Shelly Coffman
