Our father was a passionate and voracious reader. His love of books carried through his entire life. He connected with family and friends through books and reading, and reading was one of his greatest pleasures and escapes. He spent many hours at the local Sarasota Library and relied on it heavily as not only a source of books, but also for its' many other community services.

If you would like to honor Matt's legacy and love of reading, we encourage you to support the Library Foundation for Sarasota with a donation in his name (<https://www.sarasotalibraryfoundation.org/gifts-to-honor>).
