“ *Our sincere condolences to the Dalton family. Babe was a good friend and we spent many hours together working on mutual projects involving his plumbing and our tile work. I learned a lot of lessons from Babe on best business practices and how a true gentleman and professional acts. He will truly be missed by me personally and by my entire family.*

“ *My sincere condolences to the entire Dalton family. Mr. Dalton was an amazing man who reminded me of my own father as for his honest and continual work ethic. I was grateful decades ago when he gave me a way to earn a living for my very young family at the time. I always had complete respect for him and his way of doing business when a handshake meant something special. Mr. Dalton was straightforward and his word was golden. I will always remember him fondly.*
