

Megan Elizabeth Brannen

January 5, 2021

It is with profound sorrow that we announce the passing of our precious Megan Elizabeth Brannen.

Megan was born on September 8, 1999 and died on January 5th, 2021. Megan was a smart, talented, beautiful, loving soul with a great sense of humor. She loved animals, poetry, music, art and laughter. Megan fought hard against the disease of addiction and tragically lost her battle. The reality of Megan's death is devastating to all who knew her. No possible reason can justify her loss.

Megan's family hopes that this honest obituary helps to save lives and serves as a public plea for others to get help. Megan had great empathy and compassion for others and would want her passing to serve as a vessel to recovery and wellness.

Megan is survived by her Mother, Lisi Brannen, Father, Matthew Brannen, Brother, Spencer Brannen, Grandfather Lee Delieto of Sarasota, Aunt and Uncle, Patricia and James Gassenheimer, Cousins, Zachary, Jacob and Haley Gassenheimer of Miami. And a large extended family that reside in Puerto Rico and Miami.

Megan's Life will be celebrated in a Memorial on January 16, 2021 from 2pm –

4pm with a Service at 3:00 PM at Southshore Community Church – 1899 South Tuttle Ave, Sarasota, Florida 34239. The service will be livestreamed.

In lieu of flowers; PLEASE make donations in memory of Megan to The Salvation Army - Life Recovery Rehabilitation Programs, PO BOX 2792 Sarasota, FL, 34230.

“ *Megan was hands down the greatest and funniest girl I have ever met. I loved her maybe even a little more than myself at times. She had one of those smiles that could light up a stadium, or lift me up from some of my deepest and darkest days. Lisi and Matthew as well as their son Spencer accepted me into their family a few years ago when Megan and i had met and for that i love and appreciate them as much as I did Megan. I wish more than anything that I would have been able to join them today for the funeral service to mourn on this very sad and heartbreaking day. Megan was hands down my favorite person I have ever been involved with and even though we haven't been together for a little while i still haven't found anyone quite like her. I keep thinking about things i want to say to her or ask her, and how i want to just feel her wrapped in my arms one more time, but sadly that will never be a reality ever again. I loved her so, SO, SOOO much and she literally meant the world to me. This will go in as one of the saddest and most heartbreaking days of my entire life. I know she is at peace now from this vile and disgusting disease that tears families apart across the world, I just hope that I can be reunited with her again when it comes time for me to move on from this life. I can be sure that I will always have you watching over me and guarding me from up above. R.I.P. angel, Heaven gained a true queen.*

“ My heart goes out to Lisi and all of Megan’s family who loved her so dearly. Megan was one of those people who had a light within her and who you wanted to connect with. She will be missed by all who knew her. I will always appreciate knowing Megan for the short time I did and will always keep her in my heart.
With deepest sympathy,
Buffy

“ I'm in shock, my heart aches for this family, I met Megan and she was so easy to love, I had never heard of a sugar glider, till I met Megan. Her pain was deep, and I prayed she would find recovery in the love of her mom, and so many who were trying with all they had to reach her. Megan I was blessed meeting you, now you can rest in the arms of our lord and savior, my deepest condolences to her family, and to her extended family, may God be with you all.

“ Lisi
Words cannot express the hurt and sorrow I feel for you and your family, but I will try.
My sincere condolences to you. I pray that time not soon enough will heal the pain and sadness. Knowing that it will perhaps but never go away in essence.

My heart goes out to you and your son 💕🙏. May she rest in Peace. 💕

“ I had the privilege of meeting Megan in her Mom's office several years ago. She was articulate, attentive and bursting at the seams with enthusiasm for her fresh start. She was a stunning younger version of her Mom. I know how much both children are valued, supported and loved by their and a village of others as well.. So young lady fly free in the heavens and keep a watchful eye on those still here, You are blessed to be lifted by so many who walked this path before you.

“ *I've been blessed to see Megan morph from beautiful child to beautiful woman cherished and guided by her loving family. She remains that beautiful woman and continues to be cherished by all who were privileged to know her.*
