“ *Mike and Sharon,*

I have always remembered "Young Mike" as the good-hearted high-school student and neighbor who welcomed our family when we were new to the street and the school. I am so very sorry for your loss.

“ *Michael you will be missed. You would have been a great nurse. I think others believed in you more than you believed in yourself. Im glad I had a chance to know you as one of my students. I pray you are at peace for you deserve to be. Im so sad your time here was so short. Be proud of who you were and what you did in life that helped others. Thinking of your family with love.*

“ Colin-

I am so saddened to hear of your passing. We have been life long friends since a very young age. Despite the fact I haven't seen you in a few years, you truly are a brother.

I remember us zip lining in your backyard in Maryland, skiing at Wisp, sleepovers, crafting with your mom in the kitchen and so many other fun memories.

You will truly be missed Colin. You join your family members that have already passed in a much better place.... Say hi once in a while....

Mike, Sharon and Joe: I am deeply upset by the passing of Colin. You all are family and have been since a very young age. I pray that you will all find peace and comfort knowing that Colin is in a better place.

Much Love,

Luke
