“ Dear Jannie and Family,
Our hearts go out to you and family members.
Mike was a true outdoorsman.
Just as there is a light that points us to a safe harbor, there is an anchor that holds us secure.
We were numbed to learn the news of Mike and are so grateful for his service. This comes with caring friendship. Our hearts go out to you and family members. We'll think of Captain Mike often. Many fun Sassy boating times are remembered. Keeping you in our thoughts. Along with, remembering you in prayer and caring about your sorrow at this terribly difficult time.
RIP our Boating Brother. You left us too soon.
