“ Dear Barb and Gurchiek Family,

I just learned of Mike's passing and wish you all the best during this difficult time. I first met him back in 1980 at a Bristol Laboratories Sales Manager's meeting. He was such a friendly welcoming guy to this new kid who joined the marketing team. Over the years we jogged together and shared a joke at receptions at these meetings. Year's later, we got reconnected with the SoloPak team and he was such a great guy - full of life, laughter, hard work, results and fun. He was truly a great man and role model and will be missed by all who knew him.

God Bless you all!

“*Deb and I were shocked and saddened to hear the news about Mike, and send our heartfelt condolences to the family.*

It's almost inconceivable that it has been over 30 yrs. since meeting Mike at BMS/Apothecon as the companies "merged" and he and Barb moved to Pennsylvania.

Mike was always approachable and indeed became a trusted friend and mentor in short order. His always present contagious smile, laugh and disarming demeanor made him a truly special individual. When you worked for Mike, he lead by example and was the "ultimate coach", with a keen knack of getting the best out of people. Moreover, you always wanted to put forth only the best effort, because you knew that he genuinely appreciated it and, it always elicited a wide smile!

There are so many great memories over the years that we will never forget Mike for how he made people feel and how blessed those around him were.

To Barb, Chris and family, thoughts of deep and sincere sympathy are with you at this time.

“ Mike was one of the great guys I have known. I never heard him say a bad word about anyone. Even when I would be ranting about Brian Kelly (football coach at Notre Dame) he never would say a bad thing about him. Maybe in Heaven Mike will convince God to give Kelly a brain transplant. Rest in peace Mike.

“ A bright light is gone from the world. So many fun and wonderful memories in Indy, Glen Ellyn, Florida, Evansville, and anywhere we were with you guys. The "ladies" especially loved it when he would take us out to dinner and visit with us afterwards when we had our ladies trips. We cannot imagine a world without Mike Gurchiek. There are no words to tell you how much we will miss him. We love you guys so much.

“ Barb and family,
We were very sad to hear the news about Mike. Mike was an incredible guy and a good friend. We had great fun with you guys so many times. From Indiana gatherings to visits in Chicago, fireworks in Pennsylvania, golf in Naples and Longboat, there are many, many fond memories. He made our times together special with his great attitude, friendly smile and contagious laugh. He had one of the best renditions of "We are the Champions " (from the Naples golf outing) I have ever heard. Barb and family, you are in our prayers, as Mike will always be in our memories. One other note, Barb: we appreciated knowing your door was always open to us.

“ Lana and my deepest condolences to Barb and the family. I worked with Mike at Bristol/Apothecon and were neighbors in Evansville. I remember his great laugh, smile and charming competitiveness: he and Bernie Greenburg would argue over who was the best salesman: it would end with each thinking they won. A great friendly rivalry. we are very sorry for the loss.

Dear Barb, Brian, Julie and Chris, my heart aches for you all because I know how close of family you all are. Mike was one of the good guys and was Bernie's only choice to lead Apothecon when he retired. Mike was definitely the second best salesman ever! Everyone that knew him loved him.

“ It is easy to identify why Mike Gurchiek was loved by so many. In the few years that I have known him, it was plain to see that Mike was one of those rare people that had the ability to make anyone’s day brighter and had been doing so for many years. He was a great man that has inspired me, and I’m sure many others, to live life to the fullest. I am honored to have been the “Frick” to his “Frack” a few times, and will miss him greatly. My deepest condolences to the entire Gurchiek family.

“ Gail and I were saddened when we heard that Mike passed away. Mike was a great man that always had a smile on his face. I always looked forward to seeing Mike either at a URL/Mutual sales meeting or a trade show. Mike always had a funny story to share and loved to share a good laugh. I loved our running joke of him always introducing me to Frank LaSusa every time we saw each other at a show. Mike was a good person and a gentleman.

“ It's hard for Deb and I to put into words what Mike has meant to us. There are so many memories. Mike started my career when he hired me 40 years ago. He immediately became my mentor and friend. During the many years we worked together we spoke about business, sports and family. We spoke almost everyday. The one thing that I will miss most is having a drink and laughing together. Mike always found the good in people. He was always there for me in my personal life. I could write a book about the many sales calls, meetings and the fun we had throughout the years. There was one incident that always stands out which we always laughed about. Barb, Mike and I were at dinner one night and Mike kept asking me for a "sales number". I kept avoiding giving him an answer. Barb finally said "just give him a number and lets go home". Barb and Mike have opened their home to me and made me feel part of their family. He was a large part of my life. I am really going to miss him.

Our thoughts and prayers to the family. Love Frank and Deb

“ Jay and I were Devastated to here of Mike’s passing this weekend. I first met Michael and Barbara close to 20 years ago at all of the Pharmaceutical Conventions. We soon became good friends along with the Hayers and socialized outside of Business. Barbara and Mike came to Detroit for our Daughters Bat Mitvah’s and when they first built their Beautiful Home in Long Boat Key we went with the Hayers to stay at their house. Since Jays retirement we didn’t see as much of each other but tried to stay in touch when we could. Two years ago we got together in Ft. Lauderdale for dinner and last year Jay and I went to their side of the State and we all had Brunch together.

Mike has such an outgoing personality and was the Happiest person I ever met. I can hear him saying his Funny expression right now, “Holly Schmutt!”

We are sure going to miss Mike and we want to extend our deepest condolences to Barbara, Chris and Connie and all of Mike and Barbara’s Family. We hope his Beautiful Memories offer you comfort during this Difficult time. All our Love 💕,
