

Michael J. Warnstedt

October 22, 2022

Michael J. Warnstedt, 76, passed away peacefully and unexpectedly on October 22, 2022 at his home in Longboat Key, Florida.

Michael was a loving life partner, father, & grandfather. Born in St. Petersburg, Michael was a true Floridian. After serving in the U.S. Navy, he returned home to a purposeful life and created a thriving career in Real Estate, as well as many other pursuits. Michael found the most happiness in the teal blue waters of the Gulf coast surrounded by his family (and pets!). He was a casual, confident and kind man who never met a stranger and was loved and adored by those that knew him.

Michael loved boating, aviation, reading maps & charts, the weather, and his family. He was an active listener and able to see both sides of the story. Michael shared his life experience & intelligence not only by being a good conversationalist but also by being an active member of multiple community groups, including holding a position on the Longboat Key Planning and Zoning Board. He experienced life to the fullest and was truly content at the time of his passing.

When surrounded by loved ones and enjoying a vacation or day off, his favorite thing to say was 'The only rule is there are no rules'.

His support, kindness and wisdom will be missed.

In lieu of flowers please consider a donation to the Nature Coast Club(<https://gofund.me/f585258e>) or Pet Pal Animal Shelter.

“ I knew Mike forever and He was a great friend . I started with his brother Bill and saw Mikes career from the very beginning many times we partner on putting together deals over at least 40 yrs . Started with building airplane hangers for private planes and to his unexpected end we worked to finish deals we were working on . I will miss the great professionalism that and honesty that Mike brought to everything he did . His intellect and calm demeanor in the face of chaos and anxiety prevailed to help make things happen . RIP my friend you will be dorky missed

Never a dull moment when our families were together! Smiling just thinking about all of the memories; we all lived life as it is meant to be lived!
