“ Lisa, words cannot express my sadness for your loss. This is absolutely devastating, as Mike was such a great, caring person. I haven't seen you in a long time, but wish I had made it down to the farm to see you both. You and Mike made such a wonderful family. He will be missed. Such a Great Man! You are in my prayers.

“ It is so hard to believe we won't have that bright smile, warm hug and supportive friend by us again. We shared so many adventures, weddings, gourmet dinners, parties, boat rides, car shows, and nights out over the last 20+ years. Cannot imagine the heartbreak Lisa, Eric, Sarah, the in-laws and grand kids are going through right now. He loved so much. There are no words to ease your loss.

“ Words cannot begin to express the sadness. Mike was a rare, one of a kind guy and will be missed beyond comprehension. He and Lisa created the most fabulous family and our prayers will be forever with you all. Robert says he still remembers that wide eyed little toddler coming out into the garage just watching him and Dennis when they were fixing something. Then when Mike brought Lisa home to meet everyone, two young teenagers so crazy in love... Mike you left us way too soon but we will be forever grateful that we knew you. To Lisa, Eric, Sarah, and the entire family, our deepest and sincerest condolences. Cherish the precious memories and good times and let those memories carry you through the difficult times. God Bless the Wedin family!

“ The sadness that surrounds my heart for the Wedin family is heavy laden. Words of comfort and hugs of warmth fill my soul for each of you. Mike was fun to work with, always had a smile or a joke for the "girls" in the office. He was a hard worker and never hesitated to ask for a helping hand with the technical side of work if he ever needed it. When a favor was asked of him, he delivered by going that extra mile; we could count on Mike. Sure going to miss him. Heaven's gaining a good man. I'm sure God will keep him busy up there, Mike's a keeper.

“ Eric- So sorry to hear this bro. I'll share my favorite memory of your dad though. One of the bonfires you hosted, when we thought it would be a good idea to put about 4 gallons of gas on the pile and throw a torch on it. You missed the entire pile but the fumes got it about 20 seconds later causing an enormous boom. Your dad came out spitting mad at us but when he was done we all laughed. I tell that story a lot man. Love you guys.
