“ My love and prayers to the family of beautiful Michelle. I met Michelle in Sitka, Alaska - she was full of life - highly spirited and authentic. She adored her children and was ecstatic about her grand baby. She was also very proud of her Bermuda - I will be praying for all of you. I will miss her beyond words.

Sending you all God's blessings as you carry the heavy burden of sorrow.

“ To the family of Michelle Benassi. Words cannot express what you are feeling at this moment. I knew Michelle from primary school. We were in all the same classes together. I was saddened to hear of her passing. Even though we all will eventually be gone from this world it is sometimes hard to accept that someone who is so special and could just light up the world with her infectious smile has now left us. I hope that you find joy and peace knowing that Michelle has touched the lives by of so many people in both Bermuda and in Florida.

My heart goes out to all of you, especially her children. Michelle will surely be missed.

Sonia & Denise my heartfelt condolences go out to you and your family.

With all my Love ❤️🙏🏻✝️

“ *Michelle and I were cousins. We were very close and I often thought of her as the daughter I never had. She was the most loving person I have ever known. She was kind and so considerate. I have been in her home many times and that is how I will remember her, in her beautiful home. I live in Toronto and we talked on the telephone at least once or twice a week. She was a shining light to anyone who knew her. That beautiful light has left us, left us all with broken hearts. My deep condolences go to her father, Danny Branco, Connie, Sonia, Denise, CariAnn, Jordon, Nicole, Adalynn, Shae, Calya, and her aunt June Hassell in Bermuda, and Gino. Sail on Michelle, you will always be in my heart. MaryAnn Robertshaw*

“Michelle has been a wonderful and important part of my life for almost a decade. She was truly a free spirit, optimistic, energetic and engaging. As the years passed, we became very close even though we lived in distant states. It did not matter. By telephone, text or in person we would reach out. There is an empty whole without her. “Michelle and I met when our children attended Faith Christian School together. Michelle was always a wonderful, kind, loving friend. I could always count on her for a smile. I remember fond field trips and other school events. Even though Michelle and I had not seen each other in a while, I ran into her several years ago and it was like we had not lost time. We talked and caught each other up on what was going on in our lives. I am happy to know that she is in heaven and whole. My prayers for Jordan, Kayla, Shae and the rest of the family.

“ I met Michelle in 2018 because she rented out her home to me and my husband while he was working in Sarasota. We immediatly became great friends. It was like I had known her forever. While I was there a tragedy happened in my life and Michelle was there to help me pick up the pieces. She was one of the most compassionate, caring, and funloving people I ever met. I moved out of her home in 2019 and even after that we continued our friendship. I miss our weekly conversations and hearing about how over the moon she was in love with her new granddaughter. Thank You Michelle RIP my dear sweet friend.

“ Michelle was one of my favourite students from my first year at Warwick Academy. There were only 10 students in the class and they really were an awesome group. I have had the pleasure of seeing her twice in the past few years and have thoroughly enjoyed catching up. She loved her family and enjoyed being a grandmother! Her smile is one I shall always remember! My thoughts are with Sonja, Denise and the rest of her family.
