“ *Another pillar of the Canton community has now sadly passed, but she also contributed much elsewhere to many good causes. Our thoughts are with the wonderful Stein family.*

“ *I'm so sorry that the weather kept me from paying my respects to Mildred and to the Stein family. Mildred, of course, has been missed in Canton, but I would have liked to have met with other generations.*

“ *I got to know Ms. Stein in the last 5 years as a Nurse in Plymouth Harbor. I loved caring for her. She was very independent right up to her last days. She had a beautiful soul and will be very much missed. My condolences to her family.*

“ *Condolences to all of the family. She always enjoyed Bella, our black lab, who had been my husband's service dog before he moved to Plymouth Harbor. I would bring Bella on weekends to visit Len and many of the other residents, including your mom. I know she will be missed, but you all have wonderful memories of a very special woman,*

“ *Sadden to hear that Mrs. Stein has passed. My thoughts and prayers are with her family and friends.*

Mrs. Stein was a lovely woman of wit and wisdom. I was fortunate to have known her and considered her my friend.

May your memories of her help you to honor her and to be as concerned, committed and involved as she was.

God Bless
