

Milena Wagner

July 30, 2021

Dearly Beloved, Milena Wagner passed away at her home in the early morning of July 30, 2021. Milena had suffered from Multiple Myeloma and Anemia, accompanied by Acute Edema.

Milena was a dear friend of her many “Beach Buddies” with whom she walked daily on Anna Maria Island Beach for 26 years. Her charm and kindness will long be remembered by all who ever knew Milena.

Milena was born in Prague, Czechoslovakia on May 11, 1948, and was employed as a Flight Attendant for CSA and subsequently was for many years the Private Secretary of the Ambassador from Kuwait to the Czech Republic.

Milena met her surviving husband Allen in June 1994, and the mutual attraction was instant. Milena and Allen were engaged on Christmas 1994 and married in Newnan, Georgia on March 4, 1995.

Milena and Allen bought their home in the Perico Shores Subdivision on July 27, 1995, where they lived ever since.

Milena was a great lover and protector of wildlife, especially sea turtles, mammals and birds as well as a well-known gardener and landscape architect.

Milena will be interred at Sarasota National Cemetery in Sarasota, Florida.

It was the wish of Milena that any cash donations in lieu of flowers be sent to the Anna Maria Island Turtle Watch in care of Suzie Fox at 2213 Avenue "B", Bradenton Beach, Fla. 34217.
