*I'm so saddened by the passing of Monty. He was the first person I met when I moved to Sarasota and he introduced me to his daughter, Denise, whom became one of my best friends. It's befitting to have his Celebration of Life on Halloween- one of his favorite holidays
My sympathies to his family 🙏*

“ I have so many wonderful memories of my brother-in-law. First of all I was his favorite sister-in-law. I am sure it had nothing to do with the fact I was his only sister-in-law. Haha. After I graduated, he graciously allow me to move in with them. I loved the times when he and I would clear out the attic and have garbage sales. My sister loved to keep everything, so we could only do it while she was working. I guess she always wondered where all that stuff went. He had such a joy for life. He was blessed with 2 very smart children and they gave him 2 beautiful smart granddaughters and 2 handsome smart grandsons, whom he loved dearly. I will miss our laughs. I will miss your gripping and grumpiness. God said this world is not our home, we are just passing through. The human side of me says, I will miss you terribly. RIP.. Love you, Portia

*I was so sorry to hear about my buddy, Monty. We had a lot of fun, good memories, and experiences together from our School and Marine Corp.(we enlisted on a buddy plan) days. He was an outstanding Friend, Marine and Great Guy. Monty had a special wit about him and a free spirited personality. Its hard to realize he's gone. I will always cherish our years of great memories.
Our prayers and love go out to you Brenda and your family*
