

Natalie Neumann

September 23, 1927 - August 29, 2018

Having battled various chronic illnesses for the past 5 years, Natalie Neumann passed peacefully on August 29, 2018 with her loving husband Andre and her family by her side.

Natalie was the daughter of Herb & Rose Sternberg, born in Philadelphia, PA on September 23, 1927. Natalie was the mother of Alita, Stephanie, & Pammie, with Pammie predeceasing her, and stepmother to Jorge Neumann. Having married Andre in 1967, they stayed in Philadelphia and made it their home until deciding to relocate to Sarasota in 1972. In Sarasota, while Andre was busy developing his various businesses, Natalie was involved with the Jewish women's organization Hadassah, as well as volunteering at Sarasota Memorial Hospital.

One of Natalie's great enjoyments in life was traveling with her husband, exploring different parts of the world, as well as cruising to many ports of call, enjoying the sights and sounds of various cultures. Natalie also had an affinity for books, not just reading, but also helping in various libraries, making sure each book was in its right spot.

A couple of interesting traits about Natalie included the fact that she cut her own hair, looking in the mirror, taking her time until it was perfect. And it was. So good, in fact, that she started cutting her husband's hair as well. The other interesting tidbit about Natalie was that she could eat. For such a diminutive woman, she could easily eat more dinner than her husband, and anyone else at the table for that matter. Natalie will always be remembered for being full of

life and loving it. Natalie's family wishes to thank TideWell Hospice for their help and support, as well as Sherry Pereira, her nurse. Donations in Natalie's memory can be made to Hadassah. Funeral Arrangements will be private. Toale Brothers Funeral Homes & Crematory, Gulf Gate Chapel has been entrusted with her arrangements.
